F&B Operations: Fine Dining & In-Room Delivery

Kitchen Hygiene Standards

All staff must follow HACCP guidelines. Temperatures for cold storage must remain between 1°C and 5°C. Daily audits are mandatory.

In-Room Dining

Delivery target time is 30 minutes. Servers must offer to set the table and explain the tray removal process (dialing extension 44).

Wine Cellar Management

Inventory is audited weekly. Premium vintages are stored at a constant 12°C with 70% humidity.
