Safety, Security, and Emergency Response

Fire Emergency

In the event of a fire alarm, guests must use the nearest stairwell. Do not use elevators. Assembly point is the North Parking Lot.

Medical Emergencies

Dial '0' for the operator immediately. Security teams are trained in CPR and AED usage. The nearest level-1 trauma center is 4 miles away.

Data Privacy

Guest passport information and credit card data are encrypted. Staff are prohibited from sharing room numbers with third parties without verification.
